

NIROMY ANTONY FRANCIS

UI/UX Designer & Frontend Developer | BICT Undergraduate

076-6687-424 | nironiromy87@gmail.com | linkedin.com/in/niromy-antonyfrancis-431836287 | Vavuniya, Sri Lanka

PROFESSIONAL SUMMARY

Second-year ICT undergraduate with hands-on experience in UI/UX design and frontend development. Skilled in HTML, CSS, JavaScript, and Java, with a portfolio of academic and personal projects spanning web development, desktop applications, and interactive prototypes. Strong problem-solver with a growing focus on user-centered design and responsive interfaces.

TECHNICAL SKILLS

Programming Languages:

Java, C++, Python, C#, C

Web Development: HTML, CSS, JavaScript, jQuery

UI/UX & Design Tools: Figma, Canva

Other Tools: Microsoft Office (Word, Excel, PowerPoint), VS Code, Git

Soft Skills: Communication, Teamwork, Problem-solving, Time Management, Adaptability, Critical Thinking

EDUCATION

Bachelor of Information and Communication Technology (BICT Hons) — Undergraduate2024 – Present

University of Vavuniya, Sri Lanka

GCE Advanced Level

2022 / 2023

ICT – B | SFT – B | B-Tec – C

GCE Ordinary Level

2019

3A, 4B, 1C, 1S (Mathematics – A, English – C)

PROJECTS

Personal Portfolio Website

HTML, CSS, JavaScript

- Designed and developed a responsive personal portfolio site featuring a custom glassmorphism UI, particle background animation, and a cohesive Mocha and Cream color palette.
- Implemented accessible, semantic HTML structure and vanilla JavaScript interactivity without relying on external frameworks.

Library Management System

Java, UML, System Analysis & Design

- Modeled system requirements using UML use case, class, and sequence diagrams to design a relational schema for book and member management.
- Applied SDLC and requirements engineering principles to structure the system design.

Pharmacy Stock and Billing System

Java

- Built a desktop application to manage medicine stock levels and generate customer bills.
- Implemented core Java logic for inventory tracking and billing calculations.

Lindex Clothing Shop Website

HTML, CSS, JavaScript

- Developed a responsive e-commerce style website with product listings and a mobile-friendly layout.

UI/UX Prototypes — Coffee Shop App & Online Shopping App

Figma

- Designed high-fidelity mobile app prototypes focused on clean navigation and user flow.

Mini Projects

HTML, CSS, JavaScript

- To-Do List App, Calculator App, and Quiz App — built with add/delete/complete task logic, keyboard-supported arithmetic operations, and automatic score calculation respectively.

CERTIFICATIONS & TRAINING

- eLibraryUSA Online Training Program
- USBUS Program

ACTIVITIES & LEADERSHIP

- Director of Documentation, ZeroPlastic Club — University of Vavuniya
- Active member, IEEE Student Branch
- Volunteered in community and sustainability projects
